Presents The

OWL'S NEST

of

JOSHUA HIGH SCHOOL

Joshua, Texas

FOREWORD

This year was basically the same as any high school year; we studied--had fun, experienced sad moments of trial and error. There were games and dances; voices were hoarse from Pep Rally rooting and singing. There were brief moments of glory for some of us in sports, musical and dramatic productions. All shared the hopeless reality of examinations and deadlines, the semester grades, the noontime cafeteria rush. These impressions are only a few that were packed into this full year.

Credit for the production of this book goes to the loyal Owl's Nest. The Staff, however, has furnished only the outlines of the story that we find when we turn these pages filled with warm smiles of friendship and many happy recollections. The rest is up to the individual. Underclassmen who return to JHS in the fall will continue to keep up the high standards of the school and strive for improvement. Graduates will go their separate ways using the knowledge they have gained here to reach their successes.

It is not today that you will appreciate the Owl's Nest. Tomorrow, when it is not so easy to think back on 1965, we will treasure the memories this book has stored for us.

The following statement will always hold true:

"'Tis pleasant, sure, to see one's name in print"

Dear Jan
So a real sweet
a girl that has been
joy going to school
with. But wishes in
the future with Jim
Good Luck

Mrs. Isla Reeves

Occasionally there appears a person whose energy and force of personality hold as vital a part in a school's atmosphere as its brickwork or the school spirit . . .

In one who is every inch a teacher, we recognize this quality.

Because of . . .

her skill in
imparting knowledge,
her foresight in preparing
students for the future,
her long-time interest and
support of the student
activities of JHS,
her continuous leadership
in various phases of
school life,
her sincere dedication to
the job of teaching.

We, the annual staff of JHS, dedicate the 1965 Owl's Nest to Mrs. Isla Reeves.

IN MEMORY

Joshua High School lost a long-time friend and patron with the death of Mr. Odell Brinkley in June, 1964. The students and staff held him in affection, and he will long be remembered for his many thoughtful deeds and acts of kindness.

"SHOES"

By Edgar A. Guest

I'll tell you it's a problem when
a youngster's nine years old
To keep his feet in leather and
to keep him heeled and soled.
Just about the time I fancy I've
some money I can use
His mother comes and tells me that
he needs a pair of shoes.

Now I can wear a pair of shoes for
several months or more,
But Bud it seems is working for
the man who keeps the store,
And the rascal seems to fancy that
his duty is to show
How fast a healthy, rugged boy can
wreck a leather toe.

But shoes are made for romping
in, for climbing and for fun,
For kicking bricks and empty
cans, and I am not the one
To make him walk sedately in
the way that grown-ups do;
There's time enough for that I
say when all his boyhood's through.

So let him wreck them, heels and
toes and scuff their soles away,
I'll not begrudge the bill for
shoes that I'm compelled to pay,
For I rejoice that it's my lot
when Mother breaks the news
To have a hearty, rugged boy who's
always needing shoes.
